

THE MARQUEZ FAMILY

REACHING MEXICO CITY
WITH THE GOSPEL

September & October 2022

"Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not." -Jeremiah 33:3

We pray that you are all doing well and that God is blessing your perspective ministries. It finally feels like we are saying goodbye to COVID as they eradicated the mask mandate. So many exciting things happened these last couple of months. God came through in miraculous ways. We are not surprised, only amazed and in awe of His goodness in the ministry where He has placed us.

Praise the Lord construction is complete and recently enough funds were raised to complete the project. With the help of other churches and individuals we were able to build a nursery, children's classroom, teen classroom, mini kitchen, storage closet, office, and of course an auditorium. These past few Sundays God has brought visitors and we have had to bring out extra chairs to seat everyone. It was a joy to see members of the church come together to pack, move, build, and prep the new location for God's honor and glory. Since our church moved into the new area, we have been out soul-winning frequently and have seen a good response. Last Saturday Pastor Case led a young man named Alan to the Lord. Please pray he would come to church and that he would have a desire to be discipled. Also pray that Mary, who has been coming for a while, would begin discipleship as well.

Our Ladies' Ministry meets every month to be an encouragement to ladies who have visited or are part of our church. Alejandra and Mrs. Case prepare a craft, games, gifts, and a teaching from God's word to encourage them. They have had a wonderful turnout and many look forward to this every month. This month, we will begin a Men's Ministry and a Teen Ministry as well. We have many young people that consistently come and are excited for this new ministry. Please pray God would give us wisdom as we strive to reach the lost and minister to the saved.

Our family is doing well and keeping healthy. Andres is not walking yet, but he's definitely talking and repeating everything we say including, "Amen!" He says, "Maymen." Sebastian is doing very well in school. He is three and can count to 20 and knows many letters and sounds. He is even learning to write! We are very grateful to all who prayed and gave for the relocation and construction of the church, we are now in a great area for outreach and growth. Thank you for your faithful support and prayers to our ministry here in Mexico City, we don't take it for granted!
