REACHING MEXICO CITY  
WITH THE GOSPEL

January & February 2022

Esteban, Alejandra,

*“For God is not unrighteous to forget your work and labour of love, which ye have shewed toward his name, in that ye have ministered to the saints, and do minister.” — Hebrews 6:10*

Hello praying friends,

A new year is here and along with it many blessings and exciting events. We thank the Lord for granting us another year to serve Him here in Mexico City. We began the year with moving closer to our new church plant. Now we are only 20 min away vs. 1 hour. We are closer to downtown and surrounded by busy commercial areas which are great for outreach. Our kids are loving the new apartment and adjusting well.

Last prayer letter we mentioned a situation concerning the plumbing issue we encountered with the new church building. This has finally been resolved. The owner agreed to pay for half of the expenses. Praise the Lord we have not had any other issues and we thank you again for helping us pray and give toward that need.

We have had several new visitors come to our Bible studies. One of them is our neighbor, who agreed to come with us at least once a month, but has been coming more often. She seems interested and we are hopeful she will soon get saved. We have shared the gospel with the other visitors that have come and we are praying for their salvation. Another lady contacted us last week about starting discipleship after seeing our sign, so we will begin that shortly. We are still discipling those that were saved recently and continue to see God working in their lives. Keep praying that those who are saved would understand the importance of church attendance and would be faithful to God.

We want to thank you from the bottom of our hearts for praying for my dad while he was hospitalized due to Covid. He is recovering very well! Although he doesn't feel 100% yet, he has improved tremendously already. Now, if you could please pray for my mother-in-law. She was recently diagnosed with CML (Chronic Myeloid Leukemia). This has been a shock for my wife and her family, but they are trusting God through this whole situation. Please pray that her treatment would work and that God gives her the strength to embrace and endure this new life-altering trial in her life. Our family is healthy and doing well. Please pray we are able to process Andres' passport very soon so we can process his dual citizenship as well. It has become a little complicated, but we are praying it gets resolved soon.

Thank you for taking the time to read about our ministry. We pray for you often. God bless!
